

RESTAURANT MENU

"The Chefs tell a childhood memory."

Son of farmers from the Roanne region, Marc Fontanne, our Executive Chef, grew up surrounded by nature. Sensitized from a very young age to the "eating well" spirit, our Chef expresses his sensitivity through his dishes and their flavors. "I like simple things, which turn out to be the most complex, I want people to understand my cooking, to feel at home." It is quite natural that Marc Fontanne settled in Fonscolombe castle, where he finds all his most cherished values, in the middle of our beautiful Nature.

"Our producers are of paramount importance, thanks to their work and talent, we can offer the best, for the happiness and well-being of our guests."
